**Financial Policy**

Thank you for choosing Dr. Grover as your health care provider. We are committed to providing the most successful treatment options for our patients. Our charges are reasonable given the higher degree of personalized care, and pro-active management of your health via Integrative, Anti-Aging, Functional, and Family Medicine expertise of Dr. Grover. The following is a statement of our Financial Policy, which we require you to read and sign prior to any treatment. We do not take insurance, but you can submit the superbill on your own to the insurance company. We will provide codes for you to submit in a superbill if desired, but cannot guarantee that any portion of fees will be covered by a particular plan. I cannot engage in phone calls or letters with insurance plans, as it is extremely time consuming, and a major reason I stopped taking them. The codes I give you to submit will be the best that one can provide based on an up to date electronic medical record, therefore additional code requests from insurance will be an attempt by them to avoid payment and a task I cannot engage in.

All patients must complete our patient registration form before seeing the practitioner.

- We accept cash, checks, MasterCard and Visa. Fee schedule is online and available at front desk.
- The fee for a returned check is \$50.
- Patients are responsible payment after completing patient visit on day of service.
- Advanced wellness program may incur additional fees for surgical supplies used, or vaccines or other injectable (ie: B12, Botox etc) given. Refer to Advanced Wellness Plan Membership Agreement for full details.
- You may mail the superbill invoice given to you with codes for reimbursement to your insurance company. Reimbursement will vary, and we cannot participate in appeals on denied reimbursement. In most cases with PPO plans, you should be able to submit for at least partial reimbursement. HMO's however (ie Kaiser), are restrictive and unlikely to reimburse to an out of network provider. You cannot submit to Medicare/Medicaid, since I have opted out of these
- **Labs** are typically done through Quest, Labcorp, Genova, Boston Heart and/or Spectracell, Pathway and Alcat. Most labs are covered under insurance plans, but it is always a good idea to check with them or read their policy to see if they are covered.
- **Advanced Wellness Program Reimbursement from plans**

I can give you receipts with codes to apply to Flex, Health Savings accounts and insurance plans for the individual visits. The amount they may reimburse is variable, and may not be covered if they have exclusions for preventative care, and out of network providers. You cannot submit the invoice for the whole year to insurance. They will only recognize individual coded office visits. Pricing for our annual plan is very reasonable compared to other providers locally and nationwide, and includes numerous additional services that other concierge practices don't provide.

- **Prescription refills** should be called in no less than **4 days prior** to needed refill. Please call your pharmacy and have them fax us the refill request. **303-974-5945**. If unable to have a pharmacy fax us, then call our main number to help process. Please do not call my cell phone for refills!
- Patients are responsible for providing prescription **prior authorization forms** and mail in pharmacy forms if needed from their insurance company. Please fill them out prior to faxing or giving them to us. Please check with your plan to see if a generic alternative is available that does not require a prior auth. Calling a **mail-in pharmacy** is very time consuming, so please have them fax me, send e-prescribe request, or bring in the forms for me to fill out for you to mail. They do not function like a normal pharmacy, and impose numerous hurdles to docs/patients to discourage prescribing.
- **Appointments cancelled** less than 24 hours prior to a scheduled time may be subject to a \$50 cancellation fee. 3 or more missed appointments without notification will result in dismissal from practice.
- I have read the policies presented above. I understand and agree to this financial policy. A copy of this is available on our website in the patient registration should you need one for reference.
- Please be sure to fill out our advanced wellness program agreement and sign up today or at your follow-up visit if you plan to receive medical and or hormonal care with Dr. Grover.
- **Thank you for your time in reading and filling out our paperwork and welcome to the practice!!!**
